

OUR MISSION:

We believe God for the impossible! We hope to inspire the people of God in California to believe with us, that with God, the impossible becomes possible. We can effect change in California. We can take back territory by uniting together as the body of Christ and come together as one state under God.

To inspire God-fearing believers to run for political office in California. To win back the Senate, Assembly, Office of the Governor, and all other State elected offices. Together, with God on our side, we can restore California to its conservative roots.

For with God nothing shall be impossible.

Luke 1:37

DISTRICT AMBASSADOR Role Description

A District Ambassador is the point person for a specific City or County. Their role is to build a team in the district with the objective of canvassing the entire territory with the message of Redeem California.

The Ambassador's primary duty is to plan and coordinate fundraising events and speaking engagements. They will connect with pastors, and businesses who wish to donate their time, treasure and talent into the mission of winning back our Cities, Counties and State in upcoming elections. They will also assist in the strategic plan for communicating the Redeem California message throughout the State of California.

The District Ambassador will coordinate efforts with Founder, Kathy Looper and the marketing team when needed.

Duties and responsibilities of a District Ambassador include but is not limited to the following:

- Build a team of volunteers in District.
- Identify and contact churches who may wish to become involved.
- Identify and contact businesses who would become a sponsor.
- Create small, medium, or large fundraising events.
- Organize speaking engagements for a group, or groups.
- Compile a list of sites and get written permission to put Redeem California signs up.
- Distribute bumper stickers and yard signs.
- Let your light shine! Spread the word that with God, all things are possible, and we can take back California with unity, hard work and activism.

If this is a mission you are passionate about and you wish to take on the role of District Ambassador, let us know and we would love to have you!
